Zootopia 2 premiere

Ireland Fashion Week

An Aussie in Dublin, filming life as it happens.

Food spots, premieres, launches and the small everyday parts of building a life abroad, made for brands that want content that feels like a friend's recommendation.

01 — ABOUT

IT'S *Jessica* LATIMER!

I'm an Australian content creator who moved from Sydney to Dublin in May 2026. On TikTok and Instagram I share food spots, events and the small everyday parts of building a life abroad.

I've worked on the Scream and Zootopia 2 premieres, Ireland Fashion Week, Red Bull Dance Your Style, Belvedere and Casetify. I went to TikTok Creator Camp, and I have been at the TikTok Awards three years running. Before creating I worked in retail and customer service, so I understand the brand side: what you need from a post, and why it matters.

03 — WORK WITH ME

PR

- Unboxings & first impressions
- GRWMs
- “What I'm using lately”

Only things I'd genuinely use.

EVENT COVERAGE

- Premieres & launches
- Festivals
- Openings

Taking my audience along with me, from the red carpet to the afterparty.

TRIPS & EXPERIENCES

- Restaurants & bars
- Hotels & travel
- Brand trips

Filmed the way I'd show a friend.

UGC CONTENT

- Product demos
- Talking-to-camera
- Lifestyle b-roll

Natural-looking videos your brand can run on its own channels.

Less perfect. More personality. I always come with an idea for how I'd film it, so it feels like a recommendation from a friend, not an ad.
